## *Julekurv*

1. Using paper of two colors (gift wrap, freezer paper, wallpaper), cut one rectangle 2" x 6" from each. Fold in half. Cut in from folded edge slightly more than 2" (fig. 1).
2. Round off open edges (fig. 2).
3. Holding one color in each hand, weave dark strip 1 around white strip 1, through white strip 2, around white strip 3 (fig. 3 & 4). (Be sure white strip 1 is inside dark strip 1, dark strip 1 inside white strip 2 and white strip 3 inside dark strip 1). Slide toward open end.
4. Weave dark strip 2 through white strip 1, around white strip 2 and through white strip 3 (fig. 5). Slide further toward open end.
5. Weave dark strip 3 around white strip 1, through white strip 2 and around white strip 3 (fig. 6).
6. Open basket and glue or tape a handle to the inside. Fill with nuts or candy and hang on the tree.

Variations: Cut strips in different widths, and rectangles in different sizes. Cuts have to be a little longer than the short side of the rectangle. Examples:
