

VESTERHEIM

Modified Julekurv

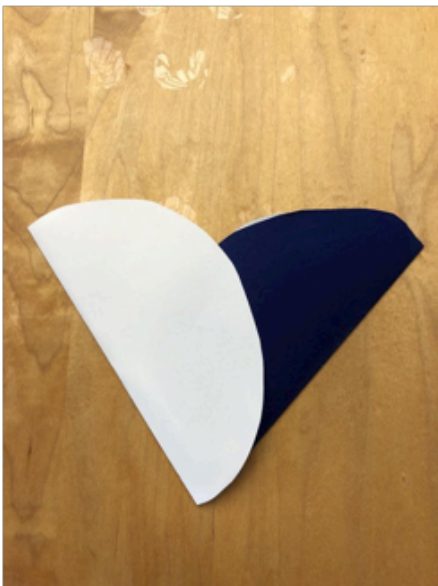

Easy to Assemble Circle Heart Baskets

Prepared by Vesterheim Folk Art School

1. Cut out the circles traced on the backs of your paper squares.
2. Fold circles exactly in half

3. Lay 2 circles together to make a heart. Slip one piece inside the other so when you open it, it is like a basket inside
4. Glue 2 pieces together. Apply glue on bottom half of outside color

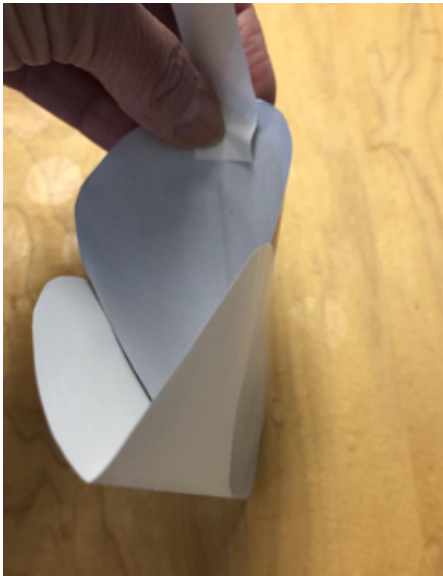

Modified Julekurv

(Easy to Assemble Circle Heart Baskets)

Prepared by Vesterheim Folk Art School

5. Attach handle and glue or tape inside of basket

6. Hang your heart basket for all to see!
