

## Gausta Day Trips Registration Form

The Norwegian-American artist, Herbjørn Gausta, has long been a favorite for fans of Vesterheim and Midwesterners of Norwegian ancestry. Last spring we offered two day trips to explore Gausta's life and art in the actual places he lived, studied, and worked. These tours were so popular that we needed to add a third day trip to Wisconsin. What better time to enjoy Gausta's art than late September when we are surrounded by nature's beautiful fall colors.

### September 26, 2024 (8:45 a.m.-4:30 p.m.) – Iowa and Wisconsin

We gather in the new Vesterheim Commons building for a brief meet and greet before we embark on our journey. Our tour will include examining the altar paintings at seven Iowa and Wisconsin churches. We will also enjoy a meatball and *lefse* lunch at Borgens cafe in Westby, Wisconsin.

Places we will visit in order include: Glenwood Lutheran, West Paint Creek Synod Church, East Paint Creek Synod Church, Lansing Our Savior's Lutheran, Lunch in Westby at Borgens, Country Coon Prairie Lutheran, Coon Valley Lutheran, and Middle Coon Valley Lutheran.

Cost per person is \$65/Vesterheim members or \$70/Non-members.
