# How to use the Goosechase App

Navigate the App
1 The bar at the bottom of the app will help you to navigate to each tab of the Goosechase app.
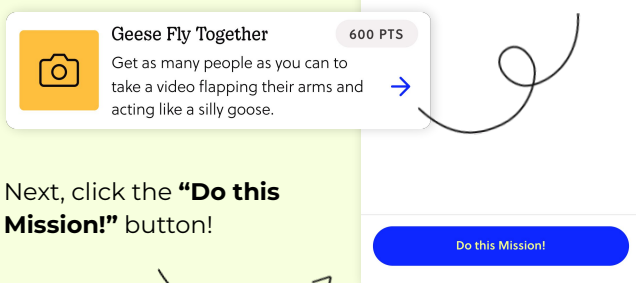

| Missions | Feed | Leaderboard | Notifications | You / Team |

2 There are three types of **Missions** you can complete.

Photo / Video   Text   GPS

3 Missions available for you to complete will be under the **"Remaining"** section of the Missions tab.

Watch the action!

Your submissions, along with other participants submissions, will show up in the **Feed** in real time.
Don't forget to like each others submissions!

→ Submissions for some Missions may be hidden in the submission feed. This is determined by the creator of your Experience.

Once you successfully complete a Mission, your points will be added to your score immediately and your leaderboard ranking will be updated.

Any bonus points awarded or removed by the creators of the Experience may be adjusted at a later time.
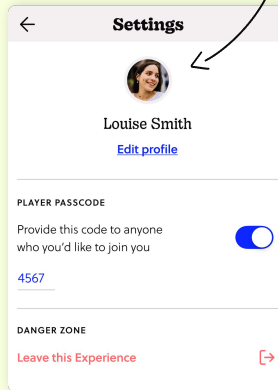

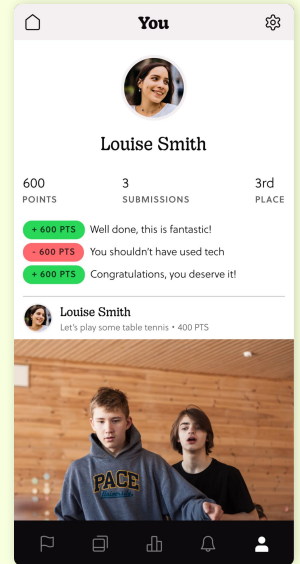

All notifications regarding points awarded, deducted, likes and messages will be on your notifications tab.

Manage your account

On the You tab (or Team tab for team mode experiences) you will be able to see:

- **Total points**
- **Submissions**
- **Point adjustments**
- **Profile name and picture**
- **Likes on submissions**
- **Team members (if in team mode)**

By clicking on the gear icon in the upper right-hand corner you will be able to edit your name (if you created the profile), view your passcode and leave the game.

If you leave the game, all of your submissions and points will be **DELETED PERMANENTLY.**

If you would like to log out of the app, do so from the settings on the home page.

Wings up, let's cut to the chase!
